Volga for Soviet Occupation Forces

Yuzhno-Sakhalinsk for Soviet Armed Forces

1. BBC require fullest (text or excerpts) treatment of all items on military subjects, however seemingly trivial.
2. BBC would like special coverage (i.e. a full watch) on armed forces transmissions on, and for two days preceding, Soviet Armed Forces Day, Aviation Day, Tank Troops Day, Navy Day, Artillery Day, and also appropriate coverage of these transmissions at the time of certain other anniversaries, e.g. VE Day, VJ Day, Soviet Radio Day etc. It is realised that the desired coverage of these anniversaries, most of which fall on Sundays, may entail special staffing or recording arrangements, but in the BBC's opinion the potential importance of this material warrants a special effort.
3. BBC would be content with brief Summary treatment of general propaganda talks and features broadcast in these transmissions, except (1) where the subject is of quasi-military significance; (2) where the line is specially angled for the troops.
